

## 2009 Corvette Caravan Hotel Room Information

Hello everyone,

Michael and I would like to welcome you to the 2009 NCM Gulf Coast Caravan, some of you for the 2nd time or 3rd time.

The host hotel in Hattiesburg, MS is the Microtel Inn & Suites 105 Westover Drive Hattiesburg, MS phone (601)450-1592, please be sure and state that you are with the Corvette Caravan when making your reservations!

Ryan Chevrolet will probably be hosting a party or something nice for us at the hotel or their dealership. We really want to THANK Andy Moore at Ryan Chevrolet for all the work he's been doing on planning our function there! Also, thank the owners of the Microtel for giving us a special rate.

Since our last update Michael and I have been able to secure a block of rooms in the Bowling Green area for our Caravan Participants. The rooms are in Glasgow and Cave City which is about a 25 minute drive from Bowling Green. We have about 90 odd rooms blocked at this time. The rooms are blocked in the name of the Gulf States Caravan, the Hotels have a copy of a spreadsheet that I have created with a registration number for our Caravan Participants, with just the participants name and our (Gulf States Caravan's) registration number.

In Glasgow the rooms are at the Comfort Inn 210 Calvary Dr. Glasgow, KY phone (270)651-9099 Emily is over reservations, the rate is \$110.95 plus taxes.

In Cave City the rooms are at the Masters Inn 102 Gardner Lane Cave City, KY phone (270)773-3101 Larry is over reservations, the rate is \$89.00 plus taxes.

As to the flags and decals. :-) The flags are \$15.00 each the decals are \$10.00 each. We can ship as many as 4 flags at a time for \$4.80 in shipping fees. If you want decals in the same order the fee does not go up as they will fit in the box. If you want decals only the shipping cost will be approximately \$2.00. At the current time Michael is in the process of placing another order for flags and decals. Michael and I will be traveling to different club meetings and car shows if you are at one of these you can pick up your flags or decals to save on the shipping. :-) Michael also drives between New Orleans and Houston quite frequently, so you may be able to catch him while out on one of these trips. ;-) We're doing our best to save you on the shipping fees. As soon as we receive a check, we'll be more than happy to send out your flag and decal.
