THIS MONTH'S MEETING

Thursday,
November 15, 2007
Ground Pati
814 N. Hwy 190

(in front of WalMart)
Covington, LA
5:30pm Dinner
7P.M. meeting starts

President's Column

Well gang, the year is about to come to a close, and what a year it has been. Our club has grown beyond my wildest imagination over the past year, and it seems to continue to get bigger and bigger as each month passes. Over the past few weeks, several events have taken place, but things will begin to wind down as the holiday season approaches. Our last big event for the year is our annual Christmas Party. It looks like we will have another successful party, with almost 100 members attending. If you haven't responded yet, make an effort to be there and share in the joy with us.

As 2008 approaches, things will begin to pop up all over the region. Once winter goes away, get your Vettes ready to do some traveling. We will be returning to Bowling Green, Kentucky, in 2008 with another dedication trip in the works. If you haven't been there, this will be something you might be interested in. Watch for the details as they unfold early next year.

I would like to take a moment to "THANK" you for your support of the club, and for your participation in events you participated in during the year. So you see, you can have fun just sitting around and talking to friends, and making new ones. I would also like to "THANK" the Officers and Board Members, as well as our Newsletter Editor and Webmaster, for a "Job Well Done." Without you, and these folks, the club would not exist. We all take pride in our club and do not mind giving a little of our time to make it better.

I would also like to "THANK" our sponsor, Hood Chevrolet, for their support of the club. In early 2008, Hood Chevrolet should be in their new facility, and we surely want to be a part of their Grand Opening with the biggest Corvette display ever. I will keep everyone posted as the construction progresses.

Well, I could go on and on, but again, I don't want to bore you with a bunch of stuff. So far now, have a great holiday season, be safe and we look forward to your continued support and participation in the club.

One more thing I want to mention. January 18-20, 2008, the NSCC will host a "Club Display" as well as a "Pace Car Display" at the World of Wheels in the Superdome. Mark those dates as we want everyone to come to the Superdome and visit our display. As far as I know, we will be the only Corvette Club with a display in the World of Wheels. They are excited, not only about the display of Vettes, but about the display of our members' Pace Cars. It will be a grand time, so come out and visit us.

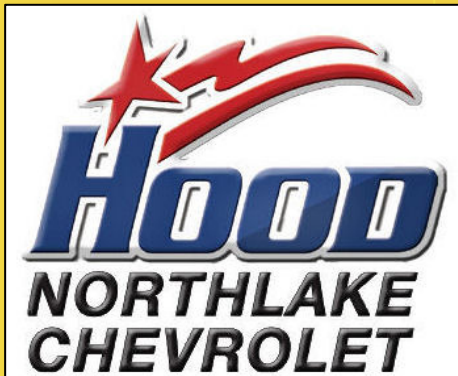

Remember, our November meeting is Thursday, November 15th at Ground Pati in Covington. We will not have a December meeting. Our Christmas Party will be our gathering in December.

Hope to see ya real soon,

Sal
